

Verio Online Marketing = more customers and more revenue.

The Web is the go-to resource for your prospects' pre-purchase information. That's why it's crucial for your business to not just have an online presence, but to make sure that your website is visible – and coming up near the top of the list when your prospects submit search engine queries. Our do-it-yourself marketing tools – proven, intuitive and quick – make sure that happens.

From search engine submissions, to keyword optimization, banner ads and more – we'll deliver the demand generation vehicles you need to secure new customers and increase revenue.

Cold calling is not an option.

Leverage the web

to create an effective marketing and sales engine.

It's easy & fast with Verio's do-it-yourself marketing tools.

Every day millions of people search for products and services on the Web.

If your company doesn't show up in the first few results, your competitors will.

Don't let that happen. If you want your company's website to become a powerful tool for attracting new customers and increasing revenue - turn to Verio.

Our hosting plans include marketing tools that enable you to:

- > Submit your URL to 100-plus search engines.
- > Increase search engine rankings with our Optimization Wizard, including a link checker, meta-tag checker and creator, keyword and rank analyzers.
- > Tap into a marketing library of more than 80 easy-to-follow tutorials.
- > Utilize automatic search engine updates to keep your site in sync with search engine changes.
- > Easily and quickly create banner ads with our Banner Creation Tool.
- > Promote your site around the world with banner ads on our national network, depending on the plan purchased.
- > Optimize online marketing with campaign reporting statistics and a marketing tip of the day.
- > Choose from up to 100 banner templates.
- > Get up to 5,000 guaranteed banner impressions.
- > Deploy up to five URLs.
- > Benefit from guaranteed placement with 25 to 100 search engines, depending on the hosting plan.

So many reasons to choose Verio

In addition to a suite of do-it-yourself marketing tools, free for a limited time, our hosting plans include no-cost setup, a 30-day risk-free trial, live 24/7 support and unparalleled reliability and uptime.

Proven reliability, flexibility

We offer the reliability and performance of NTT Communications' Global IP Network and premier data center infrastructure. NTT Communications was recently named "Best in Class" in a Telemark data services user survey.

It's your business, your budget and your decision

With Verio, you choose your path to success. We just make it easy, effective and affordable.

Now's the time

Make a move that will dynamically affect the success of your business.

We'll handle the rest.
